The National Cancer Institute plans to procure the requirement herein from the vendor stated on the attached Standard Form 18. The NCI has determined that this vendor's product and services have unique capabilities that are not available elsewhere in the marketplace. This is not a request for competitive quotation. However, if any interested party believes it can meet the attached requirements, it may submit a statement of capabilities. The capability statement must be in writing and must contain information and material in sufficient detail to allow NCI to determine if the party can fully meet this requirement. The capability statement must be received in the contracting office by 4:00 PM on 20 May 2021 EDT. A determination by the Government not to compete this requirement based upon responses to this notice is solely within the discretion of the Government. Information received will be considered solely for the purpose of determining whether to conduct a competitive procurement.
