Subject: NCI Bid Board Posting – to provide Data Migration to new NCI Servers and Serv Nodes

This request is for labor only for Migration of data from existing Microsoft 2012 to new Microsoft 2019 by Rees Scientific with aid from NCI IT support team. This monitoring system for equipment that supports research in NCI/CCR. The requested service is in support the Rees Monitoring-Alarm System that provides support for branches and laboratories, located in the Center for Cancer Research of the National Cancer Institute. Laboratories are located in Buildings 10, 37, 41 and 50. The system currently has more than 650 sensors monitoring the function of selected equipment, including freezers, refrigerators, incubators, and cold rooms, which contain research material critical to programs in the Center, including several that support clinical trials. Monitoring is required by the Food and Drug Administration (FDA) and other regulatory authorities provides historical data of equipment performance. Both real time and historical data are accessible in a secure fashion. Data is stored on an NCI server, backed up in the NCI cloud.

The National Cancer Institute plans to purchase the data migration from Rees Scientific to perform this work. This is not a request for competitive quotation. However, if any interested party believes it can meet the attached requirements, it may submit a statement of capabilities. The capability statement must be in writing and must contain information and material in sufficient detail to allow NCI to determine is the party can fully meet this requirement. The capability statement must be received in the contracting office by 11:30 AM ET on May 7, 2022. A determination by the Government not to compete this requirement based upon responses to this notice is solely within the discretion of the Government. Information received will be considered solely for the purpose of determining whether to conduct a competitive procurement.

**Sole Source Justification:**

Rees Scientific provides monitoring services to many institutes at NIH Bethesda Campus. Their technicians are specifically trained to service only Rees Scientific systems. They have a team of technicians that are local to Bethesda campus and would be available to diagnose problems on the instruments when notified. We currently have at least 600 pieces of equipment on our NCI Bethesda network. monitoring system. Rees Scientific is the sole contractor for the manufacture, sales and service of Rees Scientific products, and does not sell or provide parts, software, or validation protocols to any outside vendors or distributors.

*[Insert one or more Internet addresses]*

(d) *Inspection/Acceptance.* The Contractor shall tender for acceptance only those items that conform to the requirements of this contract. The Government reserves the right to inspect or test any supplies or services that have been tendered for acceptance. The Government may require repair or replacement of nonconforming supplies or reperformance of nonconforming services at no increase in contract price. The Government must exercise its postacceptance rights-

(1) Within a reasonable period of time after the defect was discovered or should have been discovered; and

(2) Before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

(e) *Excusable delays.* The Contractor shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of the Contractor and without its fault or negligence, such as acts of God or the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. The Contractor shall notify the Contracting Officer in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to the Contracting Officer of the cessation of such occurrence.

(f) *Termination for the Government's convenience.* The Government reserves the right to terminate this contract, or any part hereof, for its sole convenience. In the event of such termination, the Contractor shall immediately stop all work hereunder and shall immediately cause any and all of its suppliers and subcontractors to cease work. Subject to the terms of this contract, the Contractor shall be paid a percentage of the contract price reflecting the percentage of the work performed prior to the notice of termination, plus reasonable charges that the Contractor can demonstrate to the satisfaction of the Government, using its standard record keeping system, have resulted from the termination. The Contractor shall not be required to comply with the cost accounting standards or contract cost principles for this purpose. This paragraph does not give the Government any right to audit the Contractor's records. The Contractor shall not be paid for any work performed or costs incurred that reasonably could have been avoided.

(g) *Termination for cause.* The Government may terminate this contract, or any part hereof, for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any contract terms and conditions, or fails to provide the Government, upon request, with adequate assurances of future performance. In the event of termination for cause, the Government shall not be liable to the Contractor for any amount for supplies or services not accepted, and the Contractor shall be liable to the Government for any and all rights and remedies provided by law. If it is determined that the Government improperly terminated this contract for default, such termination shall be deemed a termination for convenience.

(h) *Warranty.* The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

(End of clause)
