The Nuts and Bolts of Peer Review at the NIH

July 26, 2023, 3-4 pm EST [Register Here](#)

Thomas Cho, Ph.D.

Scientific Review Officer at NIH Center for Scientific Review, Division of Basic and Integrative Biological Sciences, Cell and Developmental Biology Review Branch

Objectives

- 1) Learn about the review process and priorities
- 2) Identify review criteria/questions reviewers are instructed to focus on
- 3) Identify what reviewers are instructed to evaluate in a resubmission

For questions, please contact the team at Paves@nih.gov
