

NCI Youth Enjoy Science Research Education Program (R25)

What is the R25 YES Program?

The NCI Youth Enjoy Science (YES) Research Education Program (R25) provides support for institutions to develop and maintain innovative **early intervention strategies** to attract and engage **underrepresented students and their teachers** in active cancer research environments, and to help prepare students for a career in biomedical research.

Which Institutions are Eligible?

Eligible institutions include:

- Higher education institutions
- Nonprofit and for-profit organizations
- Governments (state, county, city, or township; special district; tribal; etc.)

A full list of eligible institutions is available in the Program Announcement. Foreign institutions are not eligible for this opportunity.

Who are Eligible Participants?

Eligible participants are:

- Grades 6–12 students and teachers
- Undergraduate students and faculty

Students must be:

- From a racial or ethnic group underrepresented in the biomedical, behavioral, clinical, or social sciences, have a disability, or from disadvantaged backgrounds
- U.S. citizens, permanent residents, or non-citizen nationals

Please see the program announcement for additional eligibility criteria.
