NCI Youth Enjoy Science Research Education Program (R25)

**What is the R25 YES Program?**
The NCI Youth Enjoy Science (YES) Research Education Program (R25) provides support for institutions to develop and maintain innovative *early intervention strategies* to attract and engage *underrepresented students and their teachers* in active cancer research environments, and to help prepare students for a career in biomedical research.

**Which Institutions are Eligible?**
Eligible institutions include:
- Higher education institutions
- Nonprofit and for-profit organizations
- Governments (state, county, city, or township; special district; tribal; etc.)

A full list of eligible institutions is available in the Program Announcement. Foreign institutions are not eligible for this opportunity.

**Who are Eligible Participants?**
Eligible participants are:
- Grades 6-12 students and teachers
- Undergraduate students and faculty

Students must be:
- From a racial or ethnic group underrepresented in the biomedical, behavioral, clinical, or social sciences, have a disability, or from disadvantaged backgrounds
- U.S. citizens, permanent residents, or non-citizen nationals

Please see the program announcement for additional eligibility criteria.
