Frequently Asked Questions

1. For the U54, it is noted that the PD/PI should commit a minimum of 1.8 person-months effort/year to the U54. Does this mean in addition to their respective project?
    Answer: No, this does not mean in addition but rather 1.2 person- months are allocated to the project with an additional .6 person-months to the administrative core for the total of 1.8 person-months.

2. For the number of pages allocated for the research projects, does this refer to a total of 12 pages for all 3-4 research projects or for each research project?

    This refers to up to 12 pages for <u>each</u> research project.

3. Are there plans to release the RFAs for more than one grant cycle?

    At this time, there are no plans to release the RFAs for additional grant cycles.

4. Does submitting an application for the U54, preclude one from submitting an application for the U01?

    No, an investigator can submit an application in response to each of the RFAs however he/she can only be funded through one of them.
