

# Patient Education Publications

This sheet provides easy access to booklets from the National Cancer Institute (NCI) for patients, families, health care professionals, and the public.

Access these booklets on your computer, phone, or other mobile device in any of these ways:

- **Scanning the QR code.** You may need to download a QR code reader app to your phone or other mobile device. Feel free to ask a librarian or patient educator for help. Once you have a QR code reader app, simply point your device at a QR code below.
- **Visiting NCI's Patient Education Publication page** [www.cancer.gov/patient-education](http://www.cancer.gov/patient-education).
- **Typing in the publication link** listed below for a specific publication.

For questions about NCI's publications or to request print files, please email: [NCIinfo@nih.gov](mailto:NCIinfo@nih.gov).
